

# BIRCH CLASS OF 2011

Dear Parents of Graduating Sixth Graders,

It is time to start the yearbook for our 6th grade class. We are asking for your help to ensure that we include all of the students of the 2011 graduating class throughout the book. Please note that the organization, scanning, layout and design of this yearbook are incredibly hard and long work. We truly need your help in getting these pictures and forms in as soon as possible for it takes several months to put together the book, as well as several weeks to have it approved and printed.

***PLEASE RETURN ALL ITEMS BY FRIDAY, NOVEMBER 12, 2010.***

The following items we need from the parents:

1. Baby picture
2. Name request form completed
3. Montage pictures
4. Special message form from parent to graduating child

The students are requested to fill out the following items:

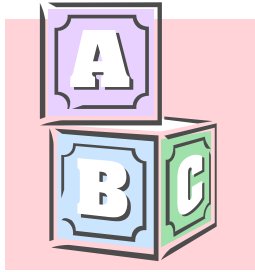

1. Our favorites
2. Fondest memory at Birch
3. Complete the following: "When I grow up"
4. Club and school involvement
5. How they will contribute to make the world a better place

Please understand that we will not be able to return any pictures submitted to us. The yearbook committee may need to cut these pictures to fit into the yearbook pages. Suggestion for photos of value that you would like to submit, CVS makes good copies of your photos.

Thank you very much for your timely and continued support in helping us create this wonderful memory for your child.

Please note that pictures of your child in a group are preferred, as well as individual. These pictures should be of children involved in Birch School activities only, not family pictures.

On the back of these photos, please write the names of all the children in the picture. **Please send in the photos in an envelope labeled "Yearbook Montage"**

To make the process of creating the DVD easier please send a Photo disk as well as a printed copy.
